Manufacturer's Parts Warranty

Introduction

The following parts warranties are provided by Audi Australia Pty Ltd (ABN 86 077 092 776) of Level 7, 895 South Dowling Street, Zetland, NSW 2017, Phone: 1800 502834, email: customerassistance@audi-info.com.au, as the importer/distributor of Audi products in Australia.

If you are a "consumer" (as that term is defined in the Competition and Consumer Act 2010 (Cth)), then:

- (a) the benefits conferred by these Warranties are in addition to other rights and remedies of the consumer under a law in relation to the product; and
- (b) our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Warranty on Spare Parts

Original Audi Genuine Parts or Audi Genuine Accessories purchased from an Authorised Audi Dealer carry a **24 month** unlimited kilometres guarantee against defects, covering the part only (not labour), commencing from the date of purchase (invoice date) from an Authorised Audi Dealer.

The original Audi Genuine Parts or Audi Genuine Accessories purchased from and installed exclusively by the Authorised Audi Dealer, are covered by a **24 month** unlimited kilometres guarantee against defects, commencing from the date on which they are purchased and installed (invoice date) on the car, covering both the parts and labour. This spare parts Warranty entitles the owner to the following:

- > The supply and replacement of any faulty or unusable parts acknowledged to be made with defective material;
- > The labour required to change and/or repair such parts, only if the part was purchased from and fitted by an Authorised Audi Dealer.

Specific Warranty Exclusions

The above Warranties are null and void where the defect or damage was caused by:

- > The buyer not immediately providing an opportunity to make repair upon fault becoming evident
- > The purchased item having been improperly installed, repaired, maintained or serviced
- > Non approved modifications of an Audi Genuine Part or Accessory from original specifications (including the use of Genuine Audi Parts")
- > The buyer having failed to comply with the rules regarding treatment, maintenance (in line with the manufacturer's service schedules) and care of the purchased item

- > The item not conforming to local country-specific requirements as a result of the item having been purchased offshore
- > The part not having been fitted in accordance with the stipulations of Audi Australia Pty Ltd
- > Accident, driver error or abuse, neglect, lack of due care, or driving technique.
- > Use of the vehicle for a purpose other than which it was designed (e.g., used in any form of motor sport including racing, rallying or any form of competitive driving)

Natural wear and tear is excluded from parts warranty cover.

To the extent permitted by law, these parts warranties do not include the reimbursement of any expenses incurred resulting from defect claimed under warranty. E.g. travel, accommodation or meals.

To the extent permitted by law, these parts warranties do not cover the loss of income or earnings, nor any cost arising out of the immobilisation of the vehicle.

All maintenance items which would be subject to regular attention as part of scheduled service operations are specifically excluded from the terms of warranty, including but not limited to:

- > Service related adjustments
- > Any items replaced as part of the service schedule
- > Previous repairs or maintenance becoming defective
- > Normal wear and tear

The following items are covered for a period of 6 months or 10,000 kilometres only:

- > Brakes (Disk rotors and pads)
- > Clutch components
- > Screens and side windows
- > Non service related adjustments
- > Wheel alignment
- > Tyres.

To claim on this Warranty when **the part was not fitted by but was purchased from an Authorised Audi Dealer**, the part and the original sales invoice from the Authorised Audi Dealer must be delivered by the purchaser or owner at their expense to the original selling dealer.

To claim on this Warranty when **the part was invoiced and fitted by an Authorised Audi Dealer**, the vehicle and the original sales invoice for the work performed when the part was fitted must be delivered by the owner at their expense to an Authorised Audi Dealer, and delivery of the vehicle after completion of the repair shall be taken by the owner at their expense at the workshop in question.
